Early Childhood Education WEEKLY

Good Morning Melissa,

Wearing many hats and being efficient about daily tasks is key to running a preschool! This week we've put together 10 ways to help you become a more effective child care provider.

On the Preschool Podcast, I had the opportunity to interview Jacquelyn Ward, Director of Pleasantime Child Care in Wisconsin. She shares her experience managing her center for 20+ years. In the interview, she talks about growing her enrolment from 8 to 85 children, embracing her leadership role and working closely with her staff to build a positive culture at her school.

All the best and happy learning,
Ron

The Preschool Podcast | Wisdom From An Experienced Child Care Administrator

Leaders in child care wear many hats – from running the business operations to ensuring that the children are well cared for. In this episode, Jacquelyn Ward shares her experience opening her center in 1992 and growing her business from 8 to 85 children. She talks about overcoming challenges, the importance of finding a community of like-minded peers, and expressing gratitude towards your staff.
